### **AKC News** (from the October and November AKC Board meeting minutes)

For 2020, litter registrations are up 9.4%, dog registrations are up 17.7%, events declined by 48% and entries declined by 54%. A total of 14,147 events have been cancelled or postponed in 2020. Fast CAT, Scent Work, Hunt Tests, Field Trials, Agility and Conformation Specialties are doing well.

The AKC Board passed the following:

A. For conformation to provide clubs and exhibitors flexibility due to COVID-19. (1) to make permanent the modification allowing specialty clubs to hold up to four designated specialties in a calendar year in addition to the current two specialties or two days of specialties, (2) extend the change in Regulations to allow judges assigned to NOHS Groups/Best in Show to exhibit on the same day through December 31, 2021.

B. Event Application Practices. The Event application fee for a cancelled 2021 events can be applied to the next event of the same type. A club can submit an event application up to 30 days prior to the event without incurring a late fee for future 2021 events.

C. The following modifications will continue through December 31, 2021

- (1) Two judges are not required to earn a title for obedience and rally titles.
- (2) Waiver of the 30 days and 100 miles restriction for judges.
- (3) Distance between exhibitors in the Novice group exercise will be 8 feet.

D. AKC Virtual Pilot Programs: The 2020 AKC Virtual Pilot Programs are extended through 2021. These are the Virtual Rally Novice and Virtual Rally Intermediate classes, Virtual Agility ACT1 and Virtual Agility ACT2 classes, and Virtual Water Test for Pointing Breeds. These three programs have been extended through 2021 and will be reviewed again toward the end of the year. AKC is working on the new Virtual Beginners Novice (BN-V) and Virtual Novice (CD-V) programs for 2021.

E. For Obedience, Rally and Tracking, these six modifications become permanent effective January 1, 2021.

(1) Closing Dates – The Regulations to allow clubs holding obedience and rally trials, at their option, to close the events at a specified closing date and time no later than 11:59PM seven (7) days prior to the event.

(2) Eligibility Restrictions for Exhibitors – The obedience, rally and tracking Regulations effecting an exhibitor's eligibility was changed from thirty days to ten days prior to an event.

(3). Eligibility Restrictions for Dogs – The obedience and rally Regulations effecting a dog's eligibility was changed from thirty days to ten days prior to an event.

(4). Eligibility Restrictions During Emergency Judge Changes – When a club has an emergency judge change for obedience and rally trials (an emergency judge change is defined as a change to the judging panel within 72 hours of the event) the eligibility restrictions on exhibitors and dogs is waived.

(5.) Publishing the Rally Course Maps – The Rally Regulations have been amended to allow a club to distribute the rally course maps by email and to post them electronically online no earlier than 6PM the evening before each trial.

(6) Modifying the obedience Figure Eight exercise.

**Change to Obedience Regulations, Chapter 3 Novice, Section 5. Heel on Leash and Figure Eight.** (Paragraph 6)  
*For the Figure Eight, the handler will stand and the dog will sit in heel position facing the judge, midway between two cones that are 17 to 37 inches high and no more than 15 inches wide at the base, that will be placed 8 feet apart. The Figure Eight in the Novice classes will be done on leash; the handler may go around either cone first. The judge will ask "Are you ready?" before giving the first order. The handler and dog will walk briskly around and between the two cones twice. There will be no about turn, fast or slow, but the judge must order at least one halt during this exercise and another halt at the end.*

**Change to Obedience Regulations, Chapter 2, Regulations for Performance and Judging**  
**Section 1. Standardized Judging.**

**Heeling Pattern.** *The same pattern should be maintained as far as practicable for each competing dog. This is a foundation exercise, and it determines the standards for all exercises in which the dog is heeling. The minimum heeling requirements for any class are normal heeling, a fast, a slow, a left turn, a right turn, an about-turn, a halt, and a sit. The heeling patterns should not be in the area of the table and/or gate and should have only one element of an exercise on a leg. (For example, there shall not be a halt and a slow on the same leg of an exercise.) A fast must always be on a long dimension of the ring; slow may be either on the short or long dimension of the ring. The fast and slow should be of significant length, not just several steps. No pattern will have more than one fast and one slow. If possible, have one leg of the heeling pattern with no element on it. The "L" pattern is a minimal pattern. Other patterns are acceptable, but excessive complexity should be avoided. The judge may leave the Figure Eight cones in position in the ring, provided this equipment will not interfere with the performance of the other exercises.*
