MEMBER NEWS

Cindy & Mike Michalak / Bon-Ton

Sadly in July we lost one of our cherished pets, Windrift Urban Cowboy. We all miss him immensely. He was Zydeco's best buddy.

GCHB Lagniappe Cajun Zydeco Bon-Ton continues to amaze us. He is definitely our dream come true, albeit a little late in life. Although we have toned down showing this year, we've still managed to eke-out some nice wins in our limited appearances. Since the last report, Zydeco picked up ten Best of Breed, three Best of Opposite Sex, four Select Dog wins, an Award of Merit at the MBC show in August, four Owner Handled (OH) Group 1, two OH Group 3, three OH Group 4 and my happiest time, an OH Reserve Best in Show in Chattanooga, TN under an all-time favorite of mine, Joseph Gregory. We also picked up a Variety Group 4 while in Fletcher, NC. We ended the OH year-end with a total of 400 points, which are 60 more than last year when we traveled further and more frequently to shows. Zydeco has matured into a lovely 3-year old and we cannot thank his breeders, Dee and Greg Jones enough for parting with this magnificent boy as a 13-week old baby.

Meanwhile, since we had the singleton puppy in our "litter," I was encouraged to get a playmate for Zaktarulon. A lovely girly became available that has a fingernail of our old Bon-Ton line in her pedigree. Her name is SVershin Zsa Zsa Galore Bon-Ton. Terry Doane was kind enough to drive from Iowa to the Racine show in August to deliver her, saving me several extra driving hours to get home from the show. She has fit in nicely and made her debut at 5 months old in a Beginner Puppy Show, placing 2nd in Puppy Group. Of course we believe she should have beaten the Rhodesian Ridgeback, but don't we all think our pups are the best?

We wish everyone a healthy and happy holiday season and hope to have more exciting news to report next time!

Jon & Nancy Reimer / Windrift

In July the repeat breeding of Buzz to Charm which had produced only two puppies the first time gave us ten puppies. We are exceedingly pleased with the litter and look forward to showing them.

As reported in the last news Rebel (Ch Windrift Against All Odds) finished in July at 16 months. He attended the August MBC specialty and was awarded Select Dog, despite being the youngest of the 11 specials that were shown that day. Once Rebel was finished we took his litter brother Ender (Ch Windrift All in the Game) back out and completed his championship with 8 WD's (4 of them majors) and 2 reserves to majors in 11 shows. It's been so much fun alternating these two brothers this year.

The same weekend that Ender earned his 3rd and 4th major, Dory (Windrift Light My Fire) was WB for two majors. Dory is from last years Chance (GCH DC Windrift Tahoe Chances Are JC, SC, FCh) x Bella (Ch Windrift Need You Tonight) litter. She is the second puppy from that litter to be pointed. Brother George (Windrift Longshot at Tahoe owned by Steve and KC Artley) was the first.

Dee Swan & Penny Keiffer / Edenrock & Calaron.

This has been a very interesting year with many ups and downs. The low point was losing our Maida, CH Edenrock Ice Maiden Of Calaron. Maida was the 2014 Top MBC bitch and my beloved Onslow's only daughter. We lost her earlier this year at the age of 10, and to this day it's been too hard to talk about. She was the gentlest of souls and went quietly in her sleep.

The high point would be the continuous specials career of our GCHS Windrift Nobody Does It Better. Carly has been such a delight to live with and show and, as of this report, is now #5 according to Canine Chronicle. There was some talk of breeding her this fall, but we've decided to wait till spring to avoid a winter litter.

In the meantime we'll be busy raising and training our new baby. Smokey, Windrift Something To Talk About, will be coming to us on October 9th and we're very excited. Coming along is his little sister Lovey so he's got someone his own size to play with. Supposedly she'll go back to Windrift at about 6 months, if we can part with her by then. Knowing me that'll be difficult so we'll see. Both puppies are from the repeat breeding that produced the Reimers' Rebel. I feel in love with him when I saw him at 3 months, and tried like crazy to talk them out of him. I couldn't do it but they were gracious enough to offer us pick in the repeat and we're thrilled with our choice.

So we're looking forward to an eventful fall and winter. Between specialing Carly, finishing all her testing for her future litter, showing her, and training and socializing her little brother and sister it'll be a very busy time. Hoping everyone has a wonderful holiday season filled with love, laughs, and lots of wins.

Steve & KC Artley / Tahoe

CH Hemlock Hollow Aruzia Journey To Tahoe JC CGC RN, "Joe", earned his Senior Courser title and more points in ASFA. Kirov Windrift Fly Above Tahoe JC, "Dawn", earned her Senior Courser title, a third major in AKC coursing, more ASFA points, and her first leg in Rally Novice.

Ginger Jones / Rivervue

I don't attend many shows during the summer months, but since it was a relatively cool summer here in Michigan, I decided to enter Birdie, CH Borscana Akka Tierra (FI, SE, EE, NO & NORD CH of Golden-West Hearty Taifun x SBIS SweW'11 Donaueschingen winner 2010 International Norwegian Danish Swedish & Finnish Ch Borscana Sonata Arctica) now that she is back in coat hoping to pick up some grand championship points for her. And what a surprise finish that was in one weekend!! Jackson Kennel Club 9/2 under Judge Mr. Odem, Birdie was BOB and GROUP 1 for a 3 point major. What a thrill it was to get to show in the Best in Show ring amongst some of the top winning dogs and handlers in the country! The next day 9/3 under Mr. Catterson, Birdie was BOS picking up that last grand championship point to finish off her title. Just in the nick of time because she immediately came into heat 3 days later!! Looking forward to choosing the correct sire for an upcoming litter in 2017 or possibly 2018. Inquiries invited.

I took Spencer, Rivervue Gimmie Some Lovin (GCH Aruzia Moonstone of Rivervue x Avalyn Silverbrite of Rivervue), to the Macomb KC show in Monroe on Saturday, 9/30 and under judge William Potter II he was Winners Dog for 2 more points. The next day, Tootsie got to come to the shows and not entered we watch ringside. She was thrilled to make so many new friends and really enjoyed watching the borzoi go around the ring. I think she's hooked on dog shows!! She slept most of the way home afterwards.

Wishing everyone a wonderful fall season of shows in this blissful weather and a Holiday Thanksgiving with much to be thankful for.

Kristen Suhrenbrock / RunTuff

Betty became my first bred by Champion and is now CH RunTuff RiverRun Wild Black Betty SC. She finished her CH with a BOS over specials in St Louis.

Rich and June Mintchell / Riju

Games earned his novice container search title (SCN) at Eukanuba last month. October 1, Rider finished his novice container search title thereby adding a third new AKC Scentwork title behind his name. His littermate Games Qed both times in the buried search division and just needs one more to earn that title. It was done in sand which Games has never searched before so I was pretty happy he passed it.

Karen & Kalen Dumke / Nonsuch

Our Nonsuch Red Cloud was WD both days at the Sheboygan KC show in September, so he now needs 3 singles to finish. Red Cloud would be the third champion from his litter (Swedish import Am Ch Borscana Contraband X Ch Nonsuch Lac Du Bay). His litter brother, Specialty winning Ch Nonsuch Dancing Brave just sired a gorgeous litter for Monica Barry, Patty Anderson and Jan Leikam in Washington State. We haven't been showing much due to being busy with our rescue horses, but hopefully will be bringing out a new bitch soon.

Roger & Joyce Katona / Anotak

Since we breed infrequently, we have always taken our time showing our dogs. After finishing Wonder in February, we showed our girls, Cherish and Promise in the spring and summer. At the Grand River KC show in July, Cherish finished her championship with FIVE majors, three 4-pointers and two 3-pointers. She is now known as CH Anotak To Love and To Cherish SC. A month later, at the Sugarbush KC show in August, Promise finished her championship also with FIVE majors, two 4-pointers and three 3-pointers and a Group 4 along the way! We are very proud of these girls! With a Best in Field under her belt, we want to work on finishing Cherish's field title and her Grand CH but first have plans for her in the whelping box. Unfortunately, our first attempt at breeding her did not develop into a pregnancy. We are sad but determined to try again using our foundation dog, CH Rainmaker Forever More CD SC FCH (Cloud). Until that time, we will be bringing the girls out to work toward their Grand Championships.

AKC News

The AKC Trick Dog program was launched on May 1, 2017. There are four levels of titles: (1) **Trick Dog Novice (TKN)** - Dogs perform 10 novice tricks. Examples include: bark on cue ("speak"), high five, crawl, and jump through a low hoop. (2) **Trick Dog Intermediate (TKI)** - Dogs perform 10 intermediate tricks. Examples are: carry a basket, rollover, jump through handler's arms, and wave good-bye. (3) **Trick Dog Advanced (TKA)** - Dogs perform 5 advanced tricks. Examples include: take a bow, circle right/left, play dead, cover your eyes, open mailbox/refrigerator and take out an object. (4) **Trick Dog Performer (TKP)** - Each dog does at least 10 intermediate and advanced tricks put into a routine. The response to the Trick Dog program has been overwhelming. As of July 14 (11 weeks since launch), the AKC has received over 6,500 title applications. Since the launch of the Trick Dog program, there has been a noticeable increase in new CGC Evaluator applications per month. The number of currently approved Evaluators is at an all-time high. There are now over 11,500 Evaluators acting as advocates for the AKC. The program has also succeeded in attracting new dog owners to the AKC, as indicated by the fact that the trick dog title is the only title that 30% of these dogs have earned.

There are a total of 377 AKC Titles. 55 prefix titles and 322 suffix titles. <http://www.akc.org/events/titles/akc-titles-a-z/> lists all AKC titles alphabetically.

New Rally rules are effective 1 November 2017. <http://www.akc.org/events/rally/news-updates/> has link to the video demonstrating how to perform the new rally signs. At bottom of this page is the link to rule changes and pictures and descriptions of the new rally signs. The purpose of the new **Rally Intermediate title (RI)** is to provide Rally Novice titled dogs the opportunity to work Advanced signs on leash, with no jumps. To enter the Intermediate class, the dog must have an RN title, but no leg toward an Advanced rally title. The RI title is not required to enter the Advanced class.

New Obedience rules for the CD and CDX titles will be voted on by the AKC Board of Directors at their November meeting. If approved (as expected), the new rules will be effective 1 March 2018.

For the CD title: the Heel On Leash and Figure Eight, Stand For Examination, Heel Free, and Recall exercises will remain the same. **Next will be the new "Sit Stay Get Your Leash" exercise worth 30 points.** The judge will have the handler sit the dog at least 30 feet from the ring exit, facing the exit. The judge will say "leave your dog to get your leash". The handler may command and/or signal the dog to stay and will walk forward to the place designated by the judge (near or at the exit), pick up the leash, turn and face the dog. The judge will order "back to your dog" and the handler must return directly, walk around and in back of the dog to heel position. The dog cannot move until the judge says "exercise finished". The judge will order "clip your leash to the collar and maintain control of your dog". The handler is required the exit the ring with the dog under control and without jumping, pulling or tugging on the leash. The last exercise will be **the group sit and down stays** worth 30 points. A 6 foot leash is required. Dogs will be positioned 6 feet apart. The sit/stay and down/stay will be done the same way as the current rules, but the handler will step out in front of the dog holding the leash, without pulling on the leash, and the leash will remain loose with slack during the exercise.

For the CDX title: the group out of sight sits and downs will be eliminated. Added are two new exercises (1) The "Stay-Get Your Leash (Sit, Down) worth 30 points and the (2) "Command Discrimination (Stand, Down, Sit) worth 30 points. For details <http://www.akc.org/events/obedience/news-updates/>
